

Waitakere BMX Club Membership

A Waitakere BMX Club fee covers 12 months Club Membership from 1 January to 31 December. Half year fees are offered from 1 September to 31 December. The NZ BMX race season is typically 8 months long and from September to April.

Waitakere BMX Club Membership Fees include the following benefits:

1. Organised Friday night club racing within season
2. Subsidized Club Night registration of \$3 (vs \$5 for non-licensed casual riders)
3. BMX training for new riders, sprockets and competition focused riders
4. Merchandise:
 - a. WTK Race Shirt - \$100 (not available to non-club members)
 - b. WTK T-Shirt - \$25 (vs \$30 for non-club members)

BMX License Notes

We are affiliated to BMX New Zealand and it is a requirement of BMXNZ that all our members also hold a BMXNZ Licence. A portion of Club Membership Fees are forwarded onto BMXNZ. There are three Licence types.

BMXNZ Licence Types

Open License

An Open Licence is available to riders 8 years and older. An Open Licence allows you to attend club nights at Waitakere and other clubs, attend training provided by Waitakere BMX coaches AND also participate in weekend Race Meetings at BMX clubs throughout New Zealand.

Kiwi Sprocket License

A Kiwi Sprocket Licence is the only licence available to children under eight years old. There is no scoring or placing at Race Meetings, and all riders receive the same awards / trophies. Sprocket riders can attend club nights at Waitakere and other clubs, attend training provided by Waitakere BMX coaches AND also participate in weekend Race Meetings at BMX clubs throughout New Zealand.

Club License

A Club Licence is available to riders 8 years and older i.e. this license is NOT available to 7 years and under, as Sprocket License is required. A Club Licence allows you to attend club nights at Waitakere Club and attend training provided by Waitakere BMX coaches. Club Licence holders are not eligible to enter in the UCI Race Meetings held at different clubs around NZ across the year. Upgrading from a Club to an Open Licence can be done at any time. NB: Once you have held an Open Licence, you will only be able to change back to a Club Licence after a stand down period of 12 months.

Process

Download the '2013 Membership Pack' from the Waitakere BMX Website: <http://www.waitakere-bmx.com/entry-forms-and-downloads/>

You need to complete and provide to the Club Secretary (see Points Hut or Canteen Staff):

1. Waitakere Club Membership Form
2. BMXNZ Licence Application Form - one for each new rider within the family.
3. If you have not held a BMXNZ Licence before, you will need to provide "Proof of Age". i.e A PHOTOCOPY of applicants Birth Certificate, Passport or Drivers Licence would suffice.)
4. Bank deposit (preferred) stating surname or appropriate payment via Cash or Cheque at Points Hut

Club Membership

In New Zealand, BMX Clubs rely on Club Membership numbers for funding applications to the various Community Trusts. Therefore, by becoming a Club Member you are supporting our club and helping the committee to provide better facilities, track improvements, sports equipment such as hire bikes/helmets and access to coaching courses that are made available to all members from time to time.

Your club fees, race night registration fees, and profit from the canteen sales allow Waitakere BMX to pay for power and track maintenance, and provides working bee refreshments, subsidized merchandise and an end of year function after the Annual General Meeting in May.

License Renewal with change of License Type (in 2014)

If you have a license currently, and you are renewing your BMXNZ License for 2014, then your BMXNZ License Number remains the same in the BMXNZ database. You will however be issued with a new card (usually a different colour than last year).

If you are a Sprocket (under 8) this year, with a sprocket plate, and next year remain a Sprocket (under 8) then you keep your Sprocket plate. If you will be moving to an Open License (turning 8 during the membership calendar year) then you will need to renew your license as 'Open' and choose a Plate number. Numbers must be above 51 and not already in use by another member within your Club.

Thanks for your continued support of our great little BMX Club!
